STILY

Blood Pressure Monitor - AUTOMATIC UPPER ARM

STILY helps the user to place the cuff correctly around the arm with the “Cuff Wrapping Detector” function. This function improves the fit of the cuff and therefore the measurements are more reliable and accurate.

- 1 Wide LCD screen
- 2 Cuff Wrapping Detector
- 3 Hypertension risk indicator
- 4 Irregular Heartbeat Detector (IHB)
- 5 Average of last 3 readings
- 6 2x120 memories

HANDY^{ultra}

Blood Pressure Monitor - AUTOMATIC WRIST

HANDY ULTRA is a wrist watch device which can be easily hand-carried and is therefore ideally suitable for mobile use. Even in the dark, the attractive large backlit LCD display allows an easy reading of the accurately measured result.

- 1 Cuff Wrapping Detector
- 2 Hypertension risk indicator
- 3 Irregular Heartbeat Detector (IHB)
- 4 Average of last 3 readings
- 5 2x120 memories
- 6 Backlight LCD screen

BREATHY

Nebulizer - PISTON COMPRESSOR TYPE

The proprietary adjustable valve is able to deliver medications of different viscosity level according to every user's conditions without exchanging parts. The Valve Adjustable Technology (VAT) bottle allows users to adjust different levels of nebulization rate 0.15 (closed) / 0.5 (fully opened) ml/min at consistent particle size. Higher nebulization rate (fully opened) is for higher viscosity medications and higher breathing capacity user while lower nebulization rate with closed valve will be more appropriate for kids/infants with lower breathing capacity.

- 1 Small particle size
- 2 VA Technology: Patented valve adjustable technology
- 3 Adult and child masks
- 4 Nebulizer kit, angled mouthpiece

STEAMY

Nebulizer - COMPRESSOR TYPE

STEAMY is a simple and easy to use nebulizer with a powerful compressor. It's designed to deliver the prescribed medication solution to treat patient respiratory disorders, such as asthma, allergies and bronchitis. The nebulizer converts the medication solution into an aerosolized mist which is inhaled by the patient through the mouthpiece or masks.

- 1 6 cc nebulizer cup
- 2 Adult and child masks
- 3 Nebulizer kit

SPEEDY

Digital Thermometer - NON-CONTACT INFRARED

SPEEDY non-contact temple thermometer has been clinically tested in several big teaching hospitals based on the protocol of ASTM E1965-98:2009 regulatory standard, covering sufficient febrile and normal body temperature subjects with satisfied clinical repeatability and measuring accuracy comparing to the concurrent oral temperature measurement reading.

- 1 1 second measurement (ASTM E1965-98:2009)
- 2 Body, object and room temperature
- 3 Fever alarm
- 4 9 memories
- 5 Backlight

SHINY

Digital Thermometer – PEN TYPE

SHINY is an anti-allergic thermometer. It does not include mercury and any metal components. You can measure the temperature in several parts on your body (Oral, axillar, rectal).

- 1 100% water resist
- 2 Fever alarm
- 3 Last measurement memory
- 4 Measurement start/finish alarm
- 5 Auto power OFF
- 6 4 colors

THERMY

Digital Thermometer – PEN TYPE

THERMY Digital Thermometer provides quick and highly accurate reading over the body temperature range. It is suitable for oral, rectal and axillary use.

- 1 $\pm 0.1^{\circ}\text{C}$ accuracy
- 2 Fast response
- 3 Memory function
- 4 Beeper function
- 5 Auto shut OFF

COSY

Anti-Decubitus AIR ALTERNATING PRESSURE MATTRESS SYSTEM

COSY air mattress is ideal for prevention and treatment of patients at low risk of pressure ulcers. It increases life quality of patients. Mattress is consist of a pressure adjustable pump for patients' weight.

- 1 Wavy pumping
- 2 Low noise and vibration
- 3 Adjustable pressure
- 4 Max. user capacity: 120 kg

Trimpeks' FIVE unique advantages at a glance!

01

Your 1-stop-shop

A complete product portfolio in both the HOME and the PROFESSIONAL segment allows you to experience **NEW HEALTH DIMENSIONS**. Several brands provide product and service solutions to meet the needs in the lifestyle, medical and professional fields.

02

Stock management and fast delivery

Our top modern warehouse and logistic center in Istanbul is handling all your orders professionally and quickly. Located in the center of EuroAsia, we guarantee fast delivery within 1-2 weeks after receipt of firm order. Where else do you get such leadtimes?

03

Small minimum order quantities

We offer very small MOQs without any risk and accordingly let dynamic and motivated customers focus on building-up a strong brand in the local market.

04

No Import Duty Tax

EU buyers benefit from orders accompanied by the «ATR.1 Free Circulation Document» which means no import duty tax for you.

05

Technical Service

Our very high-skilled Technical Service Dept. is responding to all issues promptly and with highest professionalism (24/7).
